Large Square Baler - Bale Weight

One of the features of the HayBoss G2 is that by adding a Bale Weight Kit you can capture the actual weight of the bale on the RFID Tag that is applied with the HayBoss G2 Tagging System. To learn more about the benefits of using the Bale Weight in conjunction with the HayBoss G2 Tagging System, please contact your AGCO Parts Field Parts Manager.

Bale Weight and Length Kits are available for Massey Ferguson, Challenger and AGCO Balers for the model years of 2009 and later.

Recommended Accessory Order for All Applicators: Crop Eyes PN#: HT474A (senses crop at baler pickup)
