

Repair / Return Info and Warranty Statement

Repairs and Returns-

For repairs or returns on components, parts, and products, please contact your local dealership. The dealership must then contact Harvest Tec and attain a Return Authorization form to send in parts for repair or to return. If a part or component is sent in without a Return Authorization form, it may delay the repair or credit process. All repairs will be conducted by Harvest Tec at our location unless authorized by a Harvest Tec representative.
